RIVER BARN PARK
RENTAL INFORMATION

SOMMER PAVILION
9808 North Cedarburg Road

- ◆ This is an enclosed pavilion, which is heated in the winter. There is no air conditioning, but there are a number of windows for ventilation in the warmer weather. There are also ceiling fans.
- ◆ The kitchen has two full sized refrigerators, range (stove and oven), microwave and sink.
- ◆ There is a large amount of counter space with a number of electrical outlets. The use of deep fryers inside the pavilion is prohibited.
- ◆ There are twelve (12) 5' round tables that will seat up to 96 people. There are 100 chairs available. Four (4) 8' rectangular banquet tables are also provided in the pavilion.
- ◆ Tables and chairs are for indoor use only.
- ◆ You can arrange the tables and chairs in any pattern to accommodate your needs, but we ask that you return them to their original position when your event is over.
- ◆ Washroom facilities are located in the pavilion, which are also available to other park users such as sport teams, hikers, etc. (park users have their own entrance to the washroom)
- ◆ The Parks Department provides trash cans and liners for your convenience. Please seal all trash bags after your event and Parks Department crews will dispose of them for you.

NOTICE
Regarding use of decorations in the pavilion

There are no interior decorations allowed that in any way would mark or damage the Pavilion. This would include the use of such items as – push pins, adhesive materials (including tape), putty etc.
