on the topic of

School Safety

Monday, March 26, 2018

6:00 – 8:00 PM

Homestead High School
Inquiry Wing – Zone 3
5000 W. Mequon Road
Technology Office Entrance

The MTSD seeks to identify what is most important to our community regarding safety and security in our schools. This event will include small and large group interactive sessions and conversations. Join us to provide fundamental input in the development of our safety and security plans moving forward.

Please visit www.mtsd.k12.wi.us/conversation for more information and to RSVP to the Community Conversation.
