NEWS RELEASE

DATE: 7/6/2018

PHONE: 262-242-3500

TITLE: STOLEN VEHICLES AND THEFTS FROM VEHICLES

Mequon Police investigated seven thefts from motor vehicles, two stolen vehicles and one burglary report from overnight, 7/6/2018. We have had several other reports of thefts from motor vehicles and stolen vehicles in the last two weeks. The time frame appears to be between dusk and 5AM.

The affected area is near N. Wauwatosa Rd (N 76th St) and W. Mequon Rd., but all citizens should be aware.

It does not appear the suspects break in, rather they find vehicles that are unlocked and have keys in them. We would like to remind residents that crime in Mequon is chiefly a crime of opportunity. Please lock your vehicles, do not leave keys or valuables in your vehicles, and remove the garage door opener if the vehicle is left outside.

Please report any suspicious people or vehicles to the Mequon Police Department.
