Dear Mequon Common Council Members:

The Mequon-Thiensville Chamber of Commerce Board of Directors and I would like to express our gratitude for making it possible to receive a loan from the Mequon Emergency Loan Fund Program. We are very grateful to all of you and the Mayor for the extra time and consideration you devoted to make sure it was possible for the M-T Chamber to participate in the application process.

As a non-profit organization, we greatly appreciate the relief you provided knowing we now have a financial resource in place should we experience another unforeseen economic setback. This allows the M-T Chamber to continue to focus on our work to serve, strengthen and connect the Mequon business community.

Thank you for all that you do to support the M-T Chamber and businesses throughout the year. We look forward to the continuation of working together to help promote the City of Mequon and the extraordinary quality of life it offers.

Sincerely,

Tina Schwantes
