Public Notice

Public Information Meeting #2 For Improvements to:

- CTH M (Wasaukee Rd) – Freistadt Rd to Pioneer Rd
 - CTH M (Pioneer Rd) – Country Aire Dr to Wasaukee Rd
- Village of Germantown, Town of Jackson and City of Mequon
Washington County and Ozaukee County

Proposed transportation improvements

Washington County is planning the roadway reconstruction of a 1.5-mile section of CTH M (Wasaukee Rd), from the intersection of Freistadt Rd (CTH F) northerly 1.5 miles and 1 mile of CTH M (Pioneer Road) from Country Aire Drive easterly to Wasaukee Rd. The project is located in the Village of Germantown, Town of Jackson and City of Mequon.

The project will improve the poor condition of the existing roadway pavement with upgrades to the vertical curves, roadway cross section (paved shoulders), and potential improvements to the Highland Road and CTH F intersections, all of which will improve safety for the travelling public. The project is currently scheduled for construction starting in spring of 2022. Tentative schedule will be discussed at the meeting. No assessments will be levied for this project.

Please attend

All persons interested in the CTH M improvement project are encouraged to attend a Public Information Meeting #2 on Thursday December 2nd, 2021 from 5:30pm to 6:30pm at the Village of Germantown Village Hall, N112 W17001 Mequon Road, Germantown, WI 53022. There will be a brief presentation at approximately 5:35pm followed by a Q & A session.

Information available

Representatives from the Washington County Highway Department and GRAEF (the design consultant) will be on hand to discuss the proposed improvements. Project plans, location maps, and other exhibits will be on display to illustrate the work in detail. Construction staging, detours and construction coordination will be presented at this meeting. All exhibits will be made available on the Washington County Highway Department website following the meeting.

Your involvement

Please attend the informational meeting to review the displays, ask questions and share your thoughts. If you are not able to attend the meeting, please contact the project contact(s) listed below to share your comments.
