---

## Recap of February 14 Common Council Meeting

Preceding the Common Council Meeting on Tuesday, February 14, the Council, meeting as the Committee of the Whole, received an overview of the expenditures and contract awards for the final phase of the public improvement projects in Town Center Tax Increment District (TID) No. 3. The project's estimated cost of \$5,365,627 will cover the reconfiguration of Mequon Road, OIT crossing improvements, overhead utility burial, street lighting, streetscaping, signage, land acquisition, and ancillary maintenance. The funding for the project was approved later at the Council meeting.

Thereafter, the Common Council met as the City's Water Utility Commission to approve water services agreements with the Village of River Hills for the River Hills Tax Increment District (TID) infrastructure project, the Grove at River Hills development, and the One North Project in the Village of Bayside.

The Mequon Common Council then met afterwards and during the business portion of the meeting, acted to:

1. Approve a development agreement for a 37 single-family lot subdivision on the property located at 1310 West Highland Road, known as Highland Meadows
2. Amend Chapter 2 of the Municipal Code relating to electronic attendance at City meetings
3. Authorize the purchase and implementation of electronic poll books, supplies, and training in an amount not-to-exceed \$90,000
4. Approve a Town Center business loan in the amount of \$25,000 between Bank Five Nine and Tamatito, a restaurant proposed at 6300 West Mequon Road
5. Amend the City's template Memorandum of Understanding for private water trusts operating in the public right-of-way, to reference the City's standard specifications for land development
6. Authorize the installation of widened paved shoulders along Highland Road from Wauwatosa Road to the railroad crossing west of Cedarburg Road
7. Reject a bid for the City Hall roof replacement contract to Noffke Roofing and award the contract to Alois Roofing and Sheet Metal in the amount of \$335,995
8. Authorize supplemental inspection services in excess of \$25,000 during the 2023 construction season with the following engineering firms: GRAEF, Kapur & Associates, R.A. Smith, Ruekert-Mielke and SEH
9. Authorize execution of an intergovernmental agreement with the Village of River Hills for the provision of municipal water service

A summary of all action taken by the Common Council is available via condensed [meeting minutes](#), or the video [broadcast](#). The Common Council's next regular meeting is scheduled for 7:30 P.M. on Tuesday, March 14.

## Police Department Recognized for Accreditation

At the Wisconsin Chiefs of Police (WCPA) Winter Training Conference on February 7, the Mequon Police Department, along with the Mount Pleasant Police Department, were recognized by the WCPA and the Wisconsin Police Leadership Foundation for achieving "First Time Agency Accreditation" in 2022. There were ten other Police Departments that received Re-Accreditation Status Awards for 2022. As a reminder, this status is achieved through the Wisconsin Law Enforcement Accreditation Group, which promotes excellence in law enforcement through participation in a voluntary agency accreditation program. Accredited agencies demonstrate compliance with applicable standards covering all aspects of law enforcement administration and operations.

## Spring Election Takes Place Next Tuesday

The Spring Primary will be held on Tuesday, February 21. On the ballot is Senate District 8 and Justice of the Supreme Court. Polls will be open from 7:00 A.M. – 8:00 P.M.

### City Seeking Additional Adopt-A-Roadway Program Sponsors

The City of Mequon Adopt-A-Roadway Program is designed to encourage and recognize local groups, (e.g., schools, scout troops, churches, businesses, civic organizations, families, etc.) to “adopt” a two-to-three-mile section of Mequon’s local roadway. The program offers groups the opportunity to contribute to the community by picking up roadside litter while generating positive publicity for the group’s service activities. To learn more about the City’s Adopt-A-Roadway Program and roads available for adoption, please click [here](#).

For additional information or to adopt a roadway, please contact Tim Weyker, Deputy Director of Public Works, at 262-236-8145 / [tweyker@ci.mequon.wi.us](mailto:tweyker@ci.mequon.wi.us)

Currently, some of the roadway segments in Mequon available for “adoption” include:

- Bonniwell Road (Wasaukee Road to Riverland Road)
- Riverland Road (Bonniwell Road to Pioneer Road)
- Highland Road (Wasaukee Road to Cedarburg Road)
- Wasaukee Road (Mequon Road to Pioneer Road)
- Granville Road (Donges Bay Road to Mequon Road)
- County Line Road (Granville Road to Swan Road, or Wauwatosa Road to Cedarburg Road)

## Mayor Joins Public Works Staff for a Ride Along

Mayor Nerbun experienced first-hand what it takes to keep Mequon roads clear and safe during Thursday's winter storm. The Mayor rode in a snowplow with Joe Grube who has been with the City for 20 years. The Mayor learned about the planning and coordination needed to stay on track of the constantly changing road conditions occurring throughout the day and into the night. Mayor Nerbun said, "it's not as straight forward as just hitting the roads and plowing streets." Technology is used with road and air temperature sensors to control feed rates for the salt and brine solution that is then applied. Thank you to all the Public Works employees for your hard work on Thursday and every day!

## Helpful Tips for Snow Removal

As Spring approaches, it is important to be conscious of where snow is being piled and where the snow will eventually melt. Keep your property safe and the community's waters clean by following the below tips provided by *Respect Our Waters*.

 **Winter Ditch Tips** 

Keep your property safe and waters clean

  
RESPECT OUR WATERS

<p><b>1</b> Watch for pooling</p> <p>Avoid piling snow where water pools in the spring. Opt for flat areas with good infiltration</p> 	<p><b>2</b> Know your ditches</p> <p>Piling snow in areas near ditches will bring dirt directly to our streams and rivers when snow melts.</p> 	<p><b>3</b> Apply with care</p> <p>A coffee mug full of salt for every 10 sidewalk squares or 20 feet of driveway is advised</p>

**Candlelight Walk-In-The-Woods at Rotary Park this Weekend**

The Mequon-Thiensville Sunrise Rotary Club and the City of Mequon are excited to again partner for the third year offering a Luminary “Walk-In-The-Woods” at Pukaite Woods in Rotary Park. The event will take place on Saturday, February 18, from 5:30 P.M. - 8:30 P.M. The event is free and open to the public. The public restrooms will be open, and volunteers from the Rotary Club will be serving hot cocoa, cider, and coffee with bonfire stations positioned throughout the park. Dogs are welcome but must be leashed.
