## 2023 Road Program Update

Last week, Department of Public Works crews finished annual drainage work which included culvert replacement and ditching. This week, Payne & Dolan crews started arriving to begin road construction. Crews will be milling and pulverizing roads within the City to prepare for new pavement. It is anticipated that each roadway will take approximately 1 - 2 days for milling or pulverizing to be complete. This work will be followed by compaction and grading prior to the new road surface being laid. Please be cautious and follow crew members' directions when driving through these areas.

Elsewhere in the City, the County Line Road entrance ramp to I-43 southbound and the newly constructed Katherine Drive entrance ramp to I-43 northbound opened Friday, August 4. Also, now open, is County Line Road between Port Washington Road and Pheasant Lane, Pheasant Lane just south of County Line Road, and Port Washington Lane between County Line Road and El Rancho Drive.
