Mequon Road/OIT Project Update

The construction on Mequon Road in the Town Center District is nearing the end of work scheduled for completion in 2023. This year's work is anticipated to be completed in late October, and final completion of the remaining tasks is expected to be done in early summer 2024. Currently, the contractor is installing street trees and signage along the corridor while restoring disturbed areas with topsoil and seed. Sidewalk and traffic signal work at Weston Drive is anticipated to take place next week. Travelers can expect both travel lanes on Mequon Road to be open in the next few weeks with intermittent closures for ongoing work. The City will continue to post weekly construction updates on the City [website](#).

Brush Site Open Through November 29

As leaves start to fall, the City wanted to send out a reminder that the Brush Site is open the remainder of the year through November 29 from 8:00 A.M. - 4:00 P.M on both Wednesdays and Saturdays. Brush permits are available for purchase at City Hall in the Finance Department, from the Police Department or through the **City website** at a cost of \$25. The following materials are accepted: grass, leaves, weeds, typical garden waste, soft body green herbaceous material under 1" in diameter, brush and branches up to 12" in diameter, and pumpkins. No garbage, logs, stumps, railroad ties, construction lumber, rocks, sod, etc. are accepted. No permit is necessary if residents are only taking wood chips, logs, and/or compost. The Brush Site is located at 6000 W. Bonniwell Road.
