Economic Development Board: October 31 – 8:00 A.M. (**Agenda**)  
Board of Appeals: November 2 – 6:00 P.M.

## We Energies Gas Project Begins on County Line Road

### *Project construction zone*

We Energies is upgrading natural gas facilities along County Line Road between North 76<sup>th</sup> Street and North Green Bay Road (Highway 57). This work is necessary to maintain natural gas service for customers along the route and ensure system reliability in Brown Deer and Mequon. The work began last week and will continue through April 2024. Property owners will be updated throughout the construction process to ensure they are aware of service impacts. County Line Road within the project zone will be open to local traffic only. Eastbound and westbound traffic on County Line Road will be detoured to Donges Bay Road via Wauwatosa Road and North Green Bay Road. Please use caution when driving through these areas. More information can be found [here](#).

## Residents Sought to Serve on City Boards and Commissions

In addition to the elected positions of Mayor and Alderman on Mequon's eight-member Common Council, the City is also served by nearly fifteen separate boards, commissions and committees comprised of residents appointed by the Mayor & Common Council. These include a number of bodies devoted to community development and planning (Architectural Board, Board of Appeals, Economic Development Board, Landmarks Commission, Planning Commission) as well as to the upkeep and preservation of the City's natural resources (Tree Board, River Advisory Committee). Additionally, a number of groups also address matters related to Mequon's quality of life (Bike & Pedestrian Way Commission, Festivals Committee, Library Board, Park & Open Space Board) while others focus on very specified functions in support of the organization and/or community (Board of Police Commissioners, Board of Review, Ethics Board). Typically, most appointed terms run for a period of three years, with the Mayor and Council approving a large majority of appointments or re-appointments each April during the City's annual Organizational Meeting. Residents interested in serving on a board, commission or committee can learn more about each body by clicking [here](#), and obtain an application by clicking [here](#). Completed applications can be mailed to City Hall, Attn: City Administrator's Office, 11333 N. Cedarburg Road (53092), e-mailed to [cenea@ci.mequon.wi.us](mailto:cenea@ci.mequon.wi.us) or faxed to (262) 242-9819.

**Pumpkin Composting Available at Brush Site**

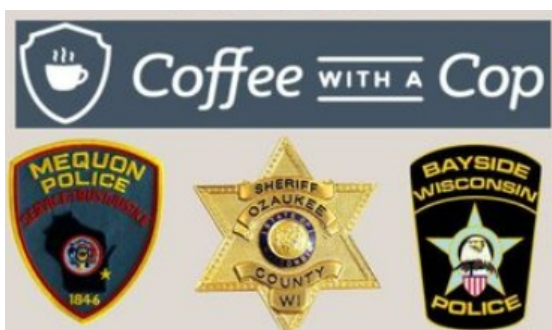

If residents are looking to dispose of their pumpkins after Halloween next week, they can drop them off at the Brush Site during normal operating hours on Wednesdays and Saturdays between the hours of 8:00 A.M. and 4:00 P.M. A brush permit is required, and the fee is \$25. The Brush Site is located at 6000 W. Bonniwell Road and will remain open through Wednesday, November 29.
