## Prescription Drug Take-Back Day Sees Success in Wisconsin

The Police Department, along with Concordia University, participated in the Prescription Drug Take-Back Day initiative on Saturday, October 28. The Prescription Drug Take-Back Day goal is to provide a safe, convenient, and responsible means of disposal for prescription medications, while also educating the general public about the potential for abuse of these medications. The Police Department collected 431 pounds of medication from the fall collection day and from the drop box located in the Safety Building Lobby. The Wisconsin Department of Justice **announced** that Wisconsin ranked number one throughout the country for the most medications collected during the fall 2023 Drug Take Back with 53,122 lbs. of unwanted prescriptions. Thank you to the community for participating!
