City Seeking Additional Adopt-A-Roadway Program Sponsors

The City of Mequon Adopt-A-Roadway Program is designed to encourage and recognize local groups, (e.g., schools, scout troops, churches, businesses, civic organizations, families, etc.) to “adopt” a two-to-three-mile section of Mequon’s local roadway. The program offers groups the opportunity to contribute to the community by picking up roadside litter while generating positive publicity for the group’s service activities. Adopt-A-Roadway sponsors take responsibility for their adopted roadway section by picking up litter at least twice a year between April 1 & Nov. 1. The City will erect an Adopt-A-Roadway sponsorship sign with the group’s name on it on each end of the adopted roadway segment after the group performs at least two successful clean-ups.
