### Proposed transportation improvements

Washington County is planning the roadway reconstruction of a 1.5-mile section of CTH M (Wasaukee Rd), from the intersection of Freistadt Rd (CTH F) northerly 1.5 miles and 1 mile of CTH M (Pioneer Road) from Country Aire Drive easterly to Wasaukee Rd. The project is located in the Village of Germantown, Town of Jackson and City of Mequon.

The project will improve the poor condition of the existing roadway pavement with upgrades to the vertical curves, roadway cross section (paved shoulders), and potential improvements to the Highland Road and CTH F intersections, all of which will improve safety for the travelling public. The project is currently scheduled for construction starting in spring of 2022. No assessments will be levied for this project.
